

THOUSANDS ENTER GATES OF THE EMPORIA FAIR

Grounds Thronged Throughout the Day to Look at Displays and Witness the Races—Ten Thousand Expected To-Day, Emporia Day.

(Special to The Times-Dispatch.)
EMPORIA, Va., October 13.—The second day of the Emporia fair, which was celebrated today with an attendance estimated at 10,000. The grounds were thronged throughout the day and up to a late hour to-night. An excursion was run from Franklin to Emporia, which brought several hundred visitors. The surrounding towns and counties were well represented.

The displays were the centre of attraction during the morning hours, while this afternoon was given over to the races, which began promptly at 1 o'clock. Colonel W. W. Hutchinson, of Richmond, is acting in the capacity of starter, and Archie Potter, of Emporia, is clerk of the course. The judges are: W. H. Joyner, of Garysburg, N. C.; J. D. Goddard, of Petersburg, N. C.; S. D. Goodwyn, of Emporia.

The harness performers this afternoon did some fine trotting. The 2:24 trot and the 2:34 pace attracted the crowds, which surged along the race course and to every point of vantage ground.

A feature of to-day's free exhibitions was when the "strong man" held two eight-horsepower machines from going in opposite directions, President G. L. Vincent, of the Fair Association, attempting to drive one car, while W. Chan Weaver failed to start the other.

To-morrow will be fittingly celebrated as Emporia Day, and from all accounts, 10,000 people will pass through the fair gates.

An excursion will be run from South Hill, Weiden and other towns within a radius of fifty miles of Emporia. Six military companies, aggregating over 500 men, will be here and participate in the mammoth parade booked for Emporia Day. This parade will be led by the county and town officials, in automobiles and, in all probability, it will be a mile in length. The race summaries:

Southampton county—Little Pete, 2, 1, 1; Aerial, 1, 2, 2, 2; Susie, 3, 4, 3, 3; Lady Horn, 4, 4, 4.

Mr. Britt, of Franklin, owner of Little Pete, has a most promising horse. To-morrow, Greenville, Sussex and two more winning horses will make a race for supremacy.

2:24 trot resulted as follows: Black Dick, 1, 4, 4, 3; Prince M., 3, 2, 2, 2; Edward F., 2, 1, 1; Alexander, 4, 3, 3, 4. Time, 2:14.1.

2:30 trot—Morgan, 3, 2, 4, 3; L. I. T., 2, 1, 1, 2; Victor, 1, 2, 4, 1; Daisy Prince, 4, 3, 3, 4. Time, 2:22.

ALUMNI SYSTEM IS SUCCESSFUL

Under Coaching of Old "Stars" Virginia Has Developed Best Football Team.

(Special to The Times-Dispatch.)
CHARLOTTESVILLE, Va., October 13.—Although the alumni system of football coaching at the University of Virginia may be said to be still in its infancy, this year has demonstrated that the system is undoubtedly achieving the success predicted by its ardent supporters. Last year eight alumni returned to Virginia to lend their aid to the development of the team, and the increase of four more over the previous season, already this fall nine old stars have given generously of their time and experience toward breaking the main in their positions and in starting off the teams in their strenuous training.

Some Who Have Returned.

Those who have returned so far are: Oscar Randolph, the brilliant quarter and half back of 1905-06, now coach at the Episcopal High School; "Bob" Graham, the speedy end, two years head coach at Davidson and all-around player; "Johnny" Johnson, all-around player and first head coach at Virginia under the new system; Dr. Summers, star tackle and end, formerly head coach at Tufts; Rice Warren, the famous 1905 "Bob" Graham on the famous 1905 team; Bob Williams, the famous 1905 quarterback, one of the very best coaches ever turned out by her, formerly head coach at Davidson, Clemson and the Virginia Polytechnic Institute; and Bradley Walker, one of the most famous tackles the South has ever produced.

Burnley Lankford, the sturdy half back of '02; "Billy" Gloth, two years all-Southern center and captain of last year's undefeated eleven, and Charlie Crawford, one of the fastest backfield runners at the university, now lending their assistance. Among those who will arrive later in the season are "Major" Spates, guard; Lee Taylor, end; Harry Wall, half back; Branch Johnson, tackle and end; John Paul, full back; "Coo" Smith, back; Saunders, Taylor, "Johnny" Benet, tackle, and "Johnny" de Saules, the all-American quarter of 1902. Mr. de Saules, one of old Bill's most famous quarter backs, has for six successive years returned to Virginia and given liberally of his knowledge and ability to the betterment of her team.

Under Head Coach Nett's guidance,

Virginia may well look forward to a team every whit the equal of her famous team of 1908.

BEAUTIFUL DAY FOR THE OPENING

Everything Points to a Successful Fair at Danville This Week.

(Special to The Times-Dispatch.)

DANVILLE, Va., October 13.—The opening day of the Danville fair dawned bright and clear here today, with just enough breeze stirring to make the day ideal. Promptly at 9 o'clock the fair gates were thrown open, and notwithstanding the two meetings of the Grand Encampment, U. C. V., and the Sons of Veterans, the fair had its full share of patronage.

The Exhibits Attractive.

The exhibits at the various buildings and in the live stock departments are most attractive, and would be well placed much larger than Danville. The live stock department exceeds in point of excellence the fondest hope of the promoters of the fair, every stall and pen being occupied. On account of the large number of extra entries the management found it necessary to erect quarters outside of the main building. In the manufacturing and merchants' buildings are displayed the products of the largest concerns in the country, while the Danville merchants are well represented.

Among the objects on display at the Fair Grounds was the Richmond Light Infantry Band of twenty pieces, which went immediately to the bandstand and rendered a grand performance. Professor Strobel, with his orchestra, is on the grounds, and will give two flights. Many knights were in the grounds today, preparing for the tournament which will take place to-morrow morning at 11 o'clock.

To-night there was a grand display of fireworks. Main Street from Cragshead up to Mount Vernon Church, has been brilliantly lighted for the occasion, and the celebration will be thrown across the street at intervals of about eight feet, and the street presents a beautiful sight.

Petition in Bankruptcy.

(Special to The Times-Dispatch.)
NORFOLK, Va., October 13.—Three creditors of H. B. Claff and O. D. William, Jr., Co. and the R. and G. Corset Company, filed claims aggregating over \$1,500, to-day against the firm, which is alleged to be in the local Federal court against Walter B. Holland and B. L. Garretton, trading as Holland & Garretton, at Franklin, Va. Allegations of bankruptcy on the part of the firm.

V. P. I. TEAM GIVES PRINCETON A SCARE

Tigers Played to Stand-Still by Virginians, Winning in Last Four Minutes by Goal From Field.

(Special to The Times-Dispatch.)

PRINCETON, N. J., October 13.—It was a drop kick by Cunningham which enabled the Tigers to defeat Virginia Polytechnic Institute today by the score of 8 to 0. With the points 6 to 5 in favor of the Virginia team, and only four minutes to play, the reliable half back came to the rescue and dropped the ball neatly over the crossbar from the thirty-yard line.

Hodgson's Long Run.

Princeton had scored during the first two minutes of the game, after Virginia had fumbled on its twelve-yard line. Three rushes carried the ball over for a touchdown, but Vaz failed to kick the goal. About the middle of the half Crystie tried a forward pass in the center of the field, but it was intercepted by E. R. Hodgson, of V. P. I., who had a clear field for a score. Hodgson also kicked the goal, and Virginia remained in the lead till Cunningham's kick.

The Tigers outplayed the visitors, but they lacked the offensive power to carry the ball from the twenty-five yard line to the goal. In the last quarter of the game the backs failed to get together, and it was individual gains by Dawson and Cunningham that kept the ball in their opponents' territory. Twice in the first half and three times in the second the Tigers had the ball close to Virginia's goal line, but then the Southerners would stiffen up and hold, and Princeton's

on-side kicks, forward passes and one

try at goal by Cunningham invariably failed. The Princeton line was good on defense, and allowed V. P. I. only one first down, but on the offense McGrohan and Sealing were the only ones who really played their game. Meigs and Gill were better than usual at the ends, but did not start. E. V. Hodgson outplayed Crystie, and V. P. I. always gained on an exchange of kicks. The game was clean and fast. The line-up:

Position	Princeton	V. P. I.
Meigs	left end	Luttrell (Garrett)
Sealing	left tackle	Burruss
Waller	left guard	Jones (McGrogan)
Burruss	center	Gibbes
Wehr	right guard	E. R. Hodgson
McGrohan	right tackle	Norris (Musser)
Gill	right end	Hicks
Crystie	quarter back	Hughes
Sparks	right half back	Billups (Sawyer)
Cunningham	left half back	Davis
Dawson	full back	E. V. Hodgson

Summary: Touchdowns—E. R. Hodgson.

Cunningham. Goal from touchdown—E. R. Hodgson. Goal from field—Cunningham. Time of halves—twenty minutes. Referee—Joseph Pondolstein. Umpire—Carl Williams, Pennsylvania. Head line-man—S. S. Fingles, Princeton. Field judge—T. F. Crollis, Dartmouth.

Coach Dunlap Has Remedied Many Faults, and Men Are Confident of Taking the Husky Washingtonians Into Camp.

Richmond College will line up against Georgetown University at the Great Street Park on Saturday for the first football game ever played between these institutions in Richmond, and there is much reason to believe that the odds are slightly in favor of the Catholic team, but supporters of the red and blue believe that Spiders have an excellent opportunity to annex victory.

Washington College held Georgetown

to a score of 6 to 5 last Saturday, and the Spiders were ranked somewhat below Richmond College in athletics, having won from Maryland Ag. 11 to 0, whereas the Spiders took the same team into camp to the tune of 22 to 0. So from comparative scores it would seem that the red and blue should be heavier Georgetown team all that they are looking for, and many believe that they will win by a small margin. However, a close game may be expected.

Squad Numbers Forty Men.

Coach Dunlap had a squad of forty men out yesterday afternoon, and put them through a stiff practice for over two hours. He is perfecting the interference, tackling and a number of new plays that he calculated to make his team take notice. The week places brought out last Saturday have been remedied, and the team has been greatly strengthened by the return of Jones, a guard on last year's team, and Guy, the husky freshman halfback, who has been out of the game on account of injuries received in practice the first of the season.

These men have been out all the

week and are showing up strong at their respective positions.

Quarterback Smith, in practice yesterday

afternoon, dropped kicked six goals of eight attempts from the thirty-five-yard line. The ends have been doing fine work all the week. Taylor, a local boy, showing up especially strong in this position. The team has been greatly improved in speed, especially the halves.

The student body as well as members

of the team have resolved to bring a big surprise on Georgetown, and rallies are being held in the college chapel every night to encourage the team.

On the confidence of a victory, and

will bring a big body of supporters from Washington with them.

A Higher Attainment of Clothes-Craft

In the fullness of its excellence and superiority; Burk tailored apparel represents the culmination of years of constant, untiring effort at betterment in the art of Clothesmaking conceived upon the idea of "Tailoring Ready-to-Wear" and the best custom tailors' production as the only ideals. Burk Clothes have always occupied a higher rank in Ready-to-Wear, and the 1909 fall creations show decided marks of greater perfections attained.

With the general attractiveness of styles this season, in both

fabrics as well as models, a fruitful field was presented to style creators of men's fashions, and the Burk artists have surely crowned themselves with credit. Our various models of extreme or conservative dress are masterpieces of careful outlines, symmetry and perfect drapes. The fabrics command the extreme good taste and critical judgment of the Burk woolen buyers, and their wide range and complete representation of all the newest patterns, colors and effects show how thoroughly searched and covered was the field of selection which embraced the woolen market of both hemispheres.
